

## Arts

Arts education refers to the entirety of the educational system's training that aims to provide quality artistic courses and to guarantee the qualification of future professionals in music, dance, theater, visual arts and design.

Arts education includes:

- Elementary music and dance education.
- Professional arts education. The professional education of music and dance, as well as the intermediate and higher levels of visual arts and design, have this status.
- Higher arts education. This includes higher education in music and dance, drama, conservation and restoration of cultural heritage, higher education in design and higher education in plastic arts, including specialized higher education in ceramics and glass.
