6 APPLICATION REVIEW

As soon as you correctly submit your application, your status will automatically go to Under Review/ (En revisión) status. This allows for the review of your application to verify that you have correctly submitted the required documents.

Once reviewed, your application may change to the following statuses:

- Admitted (Admitida): You meet the participation requirements of the announcement, and you have correctly provided the required documentation.
- Excluded (Excluída): You do not meet one of the requirements established by the announcement, or the issues that may have arised have not been corrected appropriately.

You can check the status of your application at any time in the Mis solicitudes (My applications) tab on PROFEX 2. Regularly check your email inbox you provided as you will receive messages informing you about the progress of your application or alerts to inform you that a required document is missing. Please follow the instructions provided closely.

You may receive an email with an expiration date. This expiration date only refers to the email in itself. It has nothing to do with your application.

7 DUAL CITIZENSHIP CANDIDATES

If you have dual citizenship, European Union and the United States, it is important to make sure that:

- When you apply on PROFEX, in the field *Nacionalidad* you enter the citizenship with which you will be entering Spain, and in the field *País seleccionador* you enter the country you are applying from (the US or Canada)
- If you enter Spain as an EU citizen, you will be able to do so without a visa, so you don't need to apply for one.
- Once in Spain, you need to register in the Registro de Ciudadanos de la UE to get your NIE Número de Identidad de Extranjero.

You also must bring these documents to Spain because they will be required for different purposes:

- A medical certificate. The medical certificate needs to be on a doctor's letterhead and on a standard sized sheet of paper. The certificate must verify that you are free of drug addiction and are in good mental and physical condition and have no limitations that would impair your ability to be in a classroom.
- **A background check**. You will need to request a police background check in your country of origin.

Both of these documents must be presented at your school upon arrival. You do not need to provide them with your application.
