The author responsible for editorial correspondence:

Declaration of authorship and authorization for the publication of email and institutional affiliation:

- **Declaration of authorship:** In the case of works made by more than one author, all the undersigned declare that they have contributed directly to the intellectual content of the work and that they are responsible for it. Every author approves and agrees that their names appear as authors of the work.
- **Authorization for the publication of the institutional affiliation:** All authors authorize the publication of the institutional affiliation provided in this document and their published material.
- **Authorization for the publication of the contact address and email of the first author:** The first author authorizes the publication of the correspondence address provided in this document and their email in the material published authored by him/her. The complete postal address corresponds to their institutional affiliation and, in no case, their personal address.

Data collection and interpretation of results

- Authors who sign this work have avoided making mistakes in their experimental or theoretical design, the presentation of the results, and their interpretation. If they discover any article error before or after its publication, they will immediately alert the Editor in Chief of the journal or its technical edition.
- The results of this study have been interpreted objectively. Any result contrary to the authors' point of view is exposed and discussed in the article.

Other particulars, if applicable:

- a. Presented in part as a report to the XX Conference, city, country, date:
- b. Has you received any external funding from a public or a private institution to carry out this work?

YES NO

Project N°: (full particulars)
financed by (ministry, autonomous community, multilateral organization, etc.):

This information must appear in a footnote in the article's final version.

- c. Responsible institution:
 - Institute or school
 - University
 - City, Country

The undersigned declares not to have conflicts of interest in any activities that might induce bias in the paper's findings.

The authors wish the article to be evaluated for (check the appropriate section):

Transfer of intellectual property rights:

The authors acknowledge that the publication of this work implies the transfer of copyright to the Spanish Ministry of Education and Vocational Training, which reserves the right to distribute the published version on the Internet under the terms of a Creative Commons Attribution-NonCommercial 3.0 Spain license Spain (**CC BY-NC 3.0 ES**). Making the article available in this format implies its authors' compliance with the provisions of the Spanish Law 14/2011, dated June the 1st, on Science, Technology, and Innovation. Article 37.3 concerns the obligation to provide open-access research results funded by Public Research Bodies. It is an **open-access journal** whose license explicitly authorizes the **deposit of published versions (post-prints) in open-access repositories without embargo from the publication date. de publicación de los materiales.**

The authors authorize the use of their works as material for the provision of Printing On Demand services through the electronic headquarters of the Spanish Ministry of Education and Vocational Training (<https://sede.educacion.gob.es/publiventa/inicio.action>).

Authors accept that the information in the document "LETTER OF AUTHORSHIP, INTRODUCTION, DECLARATION OF CONFLICTS OF INTEREST AND TRANSFER OF INTELLECTUAL PROPERTY RIGHTS" must not be edited or changed once it has been submitted.
